

ENVIRONMENTAL WEEDS

BULBS

Some bulbs can be serious weeds, invading large areas – Soursob & Watsonia are declared noxious weeds & some are poisonous, eg Soursob & Arum lily.

Control can be very difficult – some species have many bulblets, and digging the bulbs can spread them further.

For information on identification, control or removal, contact the Great Ocean Road Committee on 5261 2496, ANGAIR on 5263 1085 or Anglesea Coast Action on 5263 3327.
